Introduction

Greetings from Dynamic Funding, Inc. Jim, Tom, and Kelly are proud to introduce our first newsletter and updated website.

We will be bringing you news with respect to financing business equipment, software, and

services periodically. The purpose of our newsletter is to keep you up to date about our company and how leasing can work to your advantage.

We are also proud to launch our greatly improved website. Please visit our new site at: www.DynamicFundingInc.com. We look forward to keeping you abreast of DFI news and to continually servicing your financing needs.

Sincerely,
Jim Tarbell, Tom Cordova, Kelly Kovacs

Leasing News

According to a new IDC report: "2007 IT Leasing and Financing End-User Survey: Customer Needs and Wants," the availability of leasing and financing capabilities is a critical factor in the primary stages of product and vendor selection.

IDC surveyed IT professionals and found that a majority of these customers value flexibility and choice in software and services financing. Customers also understand the strategic benefits associated with IT leasing and financing with respect to protection against obsolescence.
